COLLEGES AND SCHOOLS.

Louisburg Female College,
FRANKLIN CO., N. C.

THE FALL SESSION OF 1868 will begin on the 13th day of August.

The success of the institution, under its present administration, has far surpassed the expectations of its most sanguine friends.

CHARGES PER SESSION OF 20 WEEKS:

Board (exclusive of washing and lights) and Tuition in the regular English course and Ancient Languages, $100. Extra Studies moderate. $50 in advance,—remainder at the end of the session.

ADVANTAGES.

An able, energetic, and successful Faculty; an extensive and wisely arranged course of study; a judicious and thorough system of instruction; a select Chemical and Philosophical apparatus; a good Library; fine Musical Instruments; a beautiful, possessing high and healthful location; a large, commodious building, with rooms well ventilated and well warmed in winter; excellent water, good fare; kind attention to the wants of the pupils; mild and efficient government, and ample Religious privileges.

For Circulars, containing full particulars, apply to

T. M. JONES,
President

June 15-tf

Wake Forest College, N. C.

THE FALL TERM OF THIS INSTITUTION will open on the first day of August 1868, with the prospect of increased patronage and success. The complete assurance given at the recent Commencement of the adaptedness of the University system to the wants of the times, and of its feasibility, encourages it to hope that the College has entered upon a career of popularity and usefulness hitherto unknown in its history. The financial embarrassments to which all Southern Colleges have been subjected are not felt to the same extent at Wake Forest as at some others, in consequence of the considerable amount of original endowment saved, and of the favorable reception with which the Agent of the College meets in securing additional funds. An expenditure of more than $2,000 has been recently made in improving the condition of the building and grounds.

Determined to bring its advantages within reach of the largest number possible, the Trustees, seconded by the community, have reduced the price of Board and Tuition to the lowest practicable rates.

The officers of instruction are gentlemen of tried ability in their several departments, and the success attending their efforts in the past is the best guarantee the public can have for the future.

The location of the College in point of healthfulness and accessibility, (being situated on the Raleigh & Gaston Railroad, a few miles from the Capital of the State,) is not surpassed by that of any other in the land, while the moral and social influences connected with and surrounding it, and the peculiar discipline enforced, present inducements to patronage of no ordinary kind.

A system of PUBLIC LECTURES on literary and scientific subjects has been introduced, with a view to increase the interest of the young men in the several departments of study, and to furnish additional incentives to investigation and research.

Extensive and well selected LIBRARIES belonging to the Societies, and complete APPARATUS, PHILOSOPHICAL and CHEMICAL, are not to be omitted in the enumeration of the advantages possessed.

Another encouraging feature is that there are, at present, thirteen young men engaged in studies preparatory to the work of the Ministry; and it may not be amiss to state that any Minister, who may apply for admission, will receive tuition in all the departments free of charge, and those of this class, who are without means, are encouraged to apply to the Board of Education for further assistance.

EXPENSES IN CURRENCY:

Tuition for Preparatory School (per Session)	$30,00
" " Collegiate Course, "	35,00
Board per week in private families (table fare)	2,50 to 3,00
Board, per week, with lodging,	3 0 to 3,75
Room rent (to those lodging in College Building) per session	3,00
Servants' attendance	3,00
Washing, per month,	1,50

Sec. Board of Trustees.

SEVERAL months ago, I purchased the entire stock of goods owned by BRANSON, FAIRAR & CO., and continued the business, changing the name afterwards to Branson & Jones,—advertising myself as Proprietor and Mr. Branson as Agent for the N. C. Mr. Branson will continue to be General Agent for the N. C. Directory, which will necessarily engage most of his time and attention.

ORDER DURING THE STATE CONVENTION.

We are pleased to record the fact, that, notwithstanding the immense crowds of white persons from a distance present at the great Convention, many of them young and excitable, and the large number of blacks on the streets, no incident occurred blurring the quiet and harmony of the occasion, at any time, except the threatened negro riot mentioned on Thursday, which occurred at the Depot, just before the arrival of the Wilmington delegation.

This can only be accounted for by the determination and forbearance of the white people—their disposition to avoid all causes of irritation themselves, and, at the same time, to overlook, as far and as long as possible, the ill-mannered, noisy and insulting conduct of certain negroes. We have not be rd of *one instance* in the State, in which Conservatives and Democrats have disturbed, irritated or menaced a Republican or Radical meeting of any kind. Our people carefully abstain from conduct so ungentlemanly, so unbecoming, and which so seriously jeopardizes the peace of society. In Wilmington, we learn, that negroes gather in crowds before the Seymour and Blair Club House, and indulge in the most insulting and menacing language. The municipal authorities, who would allow such conduct, deserve prompt removal from office and imprisonment. We are glad to say, that, in this city, we have had nothing like it, nor can it be allowed for a moment on either side.

During the procession, however, on Thursday night, some of the negroes who followed on the side walks repeatedly and rudely disturbed the procession by the cries of "hurrah for Grant and Colfax," accompanied, occasionally, with insulting allusions to the crowd, &c. They were unnoticed by any one in the procession, no one responding to them in any way. Had the crowd in the procession been excited by liquor, such demonstrations would have resulted most disastrously to the quiet of the community. All this is exceedingly wrong, and if the negroes think they will be allowed to continue their insults and menaces, they are mistaken. No man of sense, of virtue or of any patriotism, will defend or promote such conduct. It is said that leading colored men encouraged them in this behavior. We are unwilling to believe it. Indeed, it is currently stated, as a reliable rumor, that some of the white leaders urged the negroes to do all in their power to cause a riot during the Convention, as the best means of promoting the interests of their party. We are not willing, either, to give any credit to this statement. No man or sober man could give such counsel; yet it is evident that the negroes are under the influence of bad advice of some kind, and that they are becoming, under such teaching, more and more insulting in their tone and bearing.

As public journalists, and as friends of peace, we counsel all imprudent and bitter advisers of the colored people to beware.—Instead of inflaming and exciting them, every effort should be made to give them correct information and to discourage and discountenance such conduct. The white people of the State are not indifferent or inactive, under the multiplying evidences, daily before them, that the Radicals are determined to *force a conflict* between the blacks and whites. *The white men of the State will not provoke it, will give no cause for it, but when it comes* THEY WILL BE READY FOR IT. If it, most unfortunately, does come, the *white* scoundrels, who encourage and counsel the negroes to such conduct, will find that there is no escape for them. Their punishment will be prompt and terrible, whenever they provoke a lawless attack upon the rights of our citizens, who have no other objects in view than those which are legitimate and proper.

THE NEW YORK *Herald*, while it does not give in its formal adhesion to the Democratic nominees, yet predicts their triumph at election.

VOTE for Grant and Colfax and you vote for war and revolution.

THE PEOPLE MOVING.

The entire country from Maine to Texas, and from the Atlantic to the Pacific, now at this early stage of the Presidential canvass, gives signs of earnestness, feeling and determination not witnessed for many years, among the great Democratic and Conservative masses of the country. Our people, heterogeneous as they are, composed of men of all the nations of Europe, are nevertheless homogeneous in sentiment, in regard to the great issues which move the national intellect and will. Every one seems to feel that the ship of State has encountered a disastrous gale, but her reckoning, saff red in her spars and rigging, and been down upon her beam ends, and that some potent voice has summoned all hands on deck to right the ship, put her in trim again fully furnished and officered to take her safely into harbor. The clans are marshaling in every quarter for the contest.

This enthusiasm, strange to say, is almost entirely confined to one side of the political hemisphere. The Radicals having put forth a platform of principles *without principle*, and a candidate without a policy or a platform, they seem to have settled it deliberately, that possession, being equal to nine points in the law, of course, be yond a reasonable doubt, Grant will be elected. Having launched their bark, they seem to have left her to the chances of trick or caprice, or to the purpose of the party to *hold on* to the spoils, whatever may befall them. It is scarcely possible to arouse the Radicals at any point. They are still considerate and working, no doubt, relying vastly upon the efficient organization of their secret associations. Their bitterness, their proscriptive *role*, their disregard of Constitutions, their extravagance and waste, grow upon them, but they seem to place no reliance in the capacity of their candidates, the soundness of their principles or the tone of the popular will, but in the mere mechanism of party and their dogged purpose to hold on to the spoils.

How different with the democratic and conservative masses, which for the last three years seemed to be sleeping the sleep of death! The people are not quite willing to surrender, without another struggle, the idea of their capacity for self government—they are not yet ready to risk the loss of liberty by the surrender of the rights of the States, or the ignoring of the Federal character of the government, by setting up the Empire. Hence they have enough of war and enough of Grant and Colfax. Hence their cry is, "let us have a peace, that *is a peace.*" Every where the spirit of confidence and hope is rising, that constitutional law and civil liberty will again triumph, and that we, before long, will rejoice in a restored Constitution and a restored Union.

THADDEUS STEVENS.—Our telegrams have barely announced the death of this man. He was, perhaps, one of the bitterest enemies of the Southern people in Congress, or out of it, a fanatic in his devotion to the negro, and an enemy to the Constitution. He was a man of strong will, of force of intellect perverted by his passions, but an open, frank, honest man. In the decline of his popularity and infirmities, and when the power of his party is waning, at a ripe old age, covered with sin, he is summoned before the bar of the Eternal Judge. There we leave him to answer to the long, dark catalogue of charges registered against him. He has left some behind him equally bitter, equal in their enmity to the South, but without the honesty and the frankness of Thad. Stevens.

THE RUMOR.—We are told that the Radical Rebel chart in this city, the *Standard* tries to be facetious and humorous over the State Democratic Convention. The public might enjoy these things, (if they saw them,) were they not accompanied with such evident marks of chagrin and anger at our success, and had not its capacity for falsehood and lying been so completely exhausted heretofore. The *Standard*, used to Billingsgate, has, in this instance, we learn, a libel to fit its accomplishments as the vulgar style of the Five Points. All this will work its own cure.

INDIGNUS.—When Gen. Grant stopped in the cars at the Carlinville depot, in order to elicit the feelings of the assembled people, there were cheers for Grant alternated with cheers for Seymour for over ten minutes. Just then a tall man, standing rather in the back ground, exclaimed in a loud voice, "This is not fair! You are neglecting *Coalfax*. Give him three cheers, too!"—"Where is he? Where is he?" inquired the crowd; "Where's *Coalfax*?" "Don't you see him," said the first speaker, pointing to a negro in the adjoining window. "There he is. Three cheers for Coalfax." At this the negro withdrew his wool. Grant's cigar disappeared in the window, and the cars moved on amid loud and repeated cheers for Seymour and Blair.—*Alton (Illinois) Democrat.*

THE PRESIDENT AND THE DEMOCRATIC NOMINEES.—"D-is," the usually well-informed correspondent of the Baltimore *Sun*, says the reports sent hence relative to the feeling of the administration toward the Democratic nominees for President and Vice President are erroneous. There has been no formal consideration of this subject in cabinet. So far as Mr. Johnson is concerned, it is certain that he will support Messrs. Seymour and Blair, and several of the members of the cabinet are as decidedly in favor of those candidates.

"Mr. Speaker, I am alarmed at the condition of the country. *It is proposed to send arms to North Carolina, that the people may use them again st each other. Great God! we cannot afford to fight each other.* KEEP AWAY YOUR ARMS! DO NOTHING TO IRRITATE OUR PEOPLE, BUT DO EVERYTHING IN YOUR POWER TO ASSUAGE AND HEAL THE EXCITEMENT THERE We want no arms. I WARN THE HOUSE THAT IF ARMS ARE SENT THERE WE WILL BE RUINED; we cannot live there. If we need anything in the way of arms, in God's name send an army of the United States there, *but do not arm neighbor against neighbor. There never was a more mischievous measure than this proposition to arm one class of our people against another.*"—*Mr. Boyden's speech in the House of Representatives.*

In their despair, Radicals threaten civil war, in order to make a fair and free election by the people of North Carolina impossible.

HOUSE OF REPRESENTATIVES.

[BY UNDERGROUND RAILROAD.]

SATURDAY, Aug. 15, 1868.

The House was called to order at the usual time.

Prayer by the Rev Mr. Shaver, of the House.

The Journals of yesterday morning and evening were read and approved.

Mr. Ingram arose to a personal explanation. He said he understood that the language which he had used, on yesterday, towards the Reporter of the *Sentinel*, had been construed as reflecting upon the character of that gentlemen. He disclaimed any intention of casting disrespectful reflections upon any one, and in justice to the Reporter and himself made this statement.

Leaves of absence were granted to Messrs. Ingram, White, and some others, until Tuesday next.

Laffin (c. b.) objected to the system of granting leaves. It reminded him of the three months men in the Federal army, after the battle of Bull Run. They all wanted to go home.

By Smith, of Martin: A bill concerning the Williamston Landing, in the county of Martin. Under a suspension of the rules, the bill passed its several readings and was ordered to be engrossed and sent to the Senate.

Seymour (c. b.) presented and read a bill in reference to the location of a State Penitentiary. The bill was ordered to be printed.

By Estes (c. b.): A bill providing for the funding of the matured interest on the public debt. The bill passed its second reading, and was ordered to be printed.

Harris, of Wake, (negro,) offered a bill concerning the bonds of constables and other officers.

Mr. Forshee objected to the whole bill, and moved to lay it on the table, and on the motion called for the yeas and nays.

The call was sustained, and the motion was lost by a vote of yeas 34, nays 44.

The bill passed its second reading, after being so amended as to increase the bonds of constables from $1000 to $3000.

Upon its final passage, the yeas and nays were ordered and resulted in a vote of yeas 56, nays 23.

The bill in relation to the Registration of Deeds passed its several readings.

By consent, Mr. Sinclair withdrew House Bill No. 89.

The bill defining the powers and duties of Superior Court Clerks passed its third reading.

Foster (c. b.) called up the bill providing for the support of the Insane Asylum. The bill passed its several readings and was ordered to be sent to the Senate.

The bill incorporating the Union Joint Stock Company was next taken up, when, on motion of Seymour, (c. b.) it was ordered to be printed.

The bill providing for the settlement of the estates of deceased persons came up.

Mr. Hodnett moved to print. The motion was put and carried.

The bill in relation to the settlement of Sheriffs was next reached, and passed its several readings.

Sykes (negro) introduced a bill to incorporate the Dismal Swamp Steam Transportation Company. The bill was read and referred to the appropriate Committee.

The bill to punish Sheriffs for malfeasance in office passed its third reading, and was ordered to be sent to the Senate.

The bill making language likely to lead to a breach of the peace an indictable offence was reached.

Mr. Pou favored the bill, and, at some length, advocated its passage.

Ingram (c. b.) opposed its passage upon various grounds.

Mr. Forshee also objected to it.

Barnett moved to lay it upon the table, and upon the motion called for the yeas and nays.

The call was sustained, and the motion to table prevailed, by a vote of yeas 44, nays 35.

On motion, the House then adjourned.

SECOND CONGRESSIONAL DISTRICT.

On motion of the Wayne delegation, E. A. Wright, of Wayne, and Geo. W. Whitfield, of Wilson, were appointed Secretaries.

On motion of the Pitt delegation, a roll of the counties composing said district was called, and all found fully represented save the county of Greene.

On motion of the Pitt and Wayne delegations, the Convention decided to allow each county in the choice of nominee for Elector the number of votes equal to the number of members in the lower House of the General Assembly.

IMPORTANT RUMOR ABOUT GRANT.

Does Grant Mean to Withdraw?—The Sudden Eastward Journey of the Man on Horseback Alarm of the Radical Leaders, etc., etc

WASHINGTON, Aug. 11.

Most extraordinary rumors are afloat in this city touching the expected return of Gen. Grant from his Western tour, and its relation to the political canvass. From all I can gather among those best acquainted with the views of the members of the Republican National Committee, it appears that private letters have been received from members of Grant's party, showing an anxiety on the part of the General to throw up the candidacy for the Presidency. To this he has been moved by overwhelming evidences from every quarter of the utter want of spirit in the Republican canvass, and the tremendous popular tide running in favor of the Democratic ticket. All the letters received here, both by the Congressional and National Republican Committees, are sorely discouraging the Radical leaders, nor are the letters from the South less alarming. The blacks cannot be controlled, and all efforts on the part of carpet-bagger improvement excuses have so far failed, and the Radicals see that a continuance of these riotous and incendiary acts on the part of the colored population will add hundreds of thousands to the Democratic vote in the North. Hence the sudden stoppage of Grant's Western trip, hence the rumors that he is about to throw up the candidacy, and the intimations thrown out in political circles that the Republican National Convention will be called together again, and rumors have it that the nomination will be tendered to Gen. Sherman.

"When the storm is over, the Conservative party, representing, as it does, THE PROPERTY AND INTELLIGENCE OF THE STATE, will take the guidance of affairs, AND ALL WILL BE WELL."—*Judge Pearson's Letter.*

GRANT says "Let us have peace." What does he mean but that the "Empire is peace!"

NOTES ON THE GREAT CONVENTION.

We mentioned, in our official report of the proceedings of the Great Mass Convention, that the lists of delegates from several counties had not been handed in, and that yet other lists were manifestly imperfect. This was the unavoidable result of the plan which was adopted. No one felt strictly responsible for making out the lists, and hence some were not made out at all, as stated, and others were carelessly put together. For instance, Johnston, which was represented by about 100 delegates, was not given in. Suffice it to say, that this excellent delegation was made up of good men and true, who are enthusiastic in the great cause. Camden, which is omitted in the report, was represented by W. B. Forebee, Esq; Stanly by Plato Durham, Esq., as Proxy; Rowan by several gentlemen besides those embraced in the list furnished; Gates by Jno. Gatling, Esq.; Bertie, by Dr. P. T. Henry, Thos. D. Holly, Esq., and W. A. Mebane, Esq., &c. We estimate, after due calculation, that the actual number of *delegates* present at the Convention was between 1,500 and 2,000, and that there was a much larger number of strangers and visitors, besides. On the night of the great Torchlight Procession, there were probably ten thousand persons, including both sexes and colors, on the streets, and between two and three thousand in the procession. Among the latter were some forty or fifty colored men, who had the courage thus to assert their manhood. We are pleased to learn that the colored men of the Wilmington Democratic Club are much gratified with their visit to Raleigh.

In our Reporter's account, in Saturday's issue, of the Torchlight Procession, &c., there was an omission which we regret. He inadvertently neglected to state that among the distinguished gentlemen, who addressed the enthusiastic crowd, from the portico of the residence of the late Hon. George E. Badger, was Col. A. M. Waddell, of Wilmington, who is always happy and ready on such occasions.

One very noticeable feature of the great demonstration was that almost every man, woman and child you met wore a Seymour and Blair badge,—some of them of very beautiful design and execution. The Thomasville, Wilmington and Fayetteville delegations were all provided with very neat ribbons, badges and other patriotic decorations.

We learn that the flag at Republican Headquarters was lowered, about noon, on Thursday last. No wonder. Every Radical that we saw *looked* "defeat and surrender," in view of such a mighty outpouring of popular indignation and enthusiasm.

We are informed that the Radical-rebel paper in this city charges that its office was fired into, rocked, or something of the sort, some time or other, during the Convention. This is a paltry come-off. If any such thing, or anything like it, was done, it was the work of Radical-rebels, who wanted to furnish a pretext for clamor.

We were greatly gratified to meet, during the Convention, many of our worthy and efficient cotemporaries of the Democratic-Conservative Press, viz: R. M. Stokes, Esq., of the Asheville *News*, T. C. Evans, Esq., of the Milton *Chronicle*, R. M. Furman, Esq., of the Henderson *Index*, Jordan Stone, Esq., of the Roanoke *News*, Capt. Wm. Biggs, of the Tarboro' *Southerner*, Maj. J. A. Engelhard, of the Wilmington *Journal*, Capt. R. A. Shotwell, of the Rutherford *Vindicator*, and W. A. Hearne, Esq., of the Wilson *Carolinian*. Besides these, we had the pleasure of shaking by the hand Messrs. James and Meares, the sprightly and talented Localizers of the Wilmington *Journal* and *Star*, respectively. H. M. Robbins, Esq., of the *National Intelligencer*, and E. Cuthbert, Esq., of the New York *Herald*, have also favored us with visits. One and all, these gentlemen of the quill were excellent representatives of the fraternity, and we commend them and the respective journals over which they ably preside or with which they are connected.

We have already noticed, at some length, the Wilmington delegation, the glorious material of which it was made up, and the splendid appearance it presented, with its music, banners, transparencies, &c. Glorious old Cumberland was not a whit behind her sister city of the lower Cape Fear. Her delegation came up, 100 strong, a distance of 70 miles, marching through the country, and exciting enthusiasm everywhere as they came. On occasion of the various processions, the delegation was headed by a large four horse wagon, beautifully decorated with flags, and bearing on either side the following appropriate mottoes: "North Carolina: No bogus Governor can degrade her;" "Cumberland sends her *genuine* Representatives," &c. The wagon contained a good drum corps, which enlivened the occasion with martial music. Following the wagon came a long cortege of gallant mounted men, and others in vehicles and afoot, bearing flags and transparencies, adorned with patriotic and humorous mottoes. In the rear was carried a field-peice, which, at the conclusion of every speech, &c., thundered forth Cumberland's grand response. Three times three for Cumberland and her glorious town of Fayetteville! This delegation left Raleigh, as it came, in a very blaze of enthusiasm, marching through the streets and exciting cheers and greetings as they went.

The following is the *jeu d'esprit* recited by Mr. Dobbin in his speech in the Convention, on Thursday afternoon,—a speech that was most admirable in matter and manner. He drew a graphic picture of the great Carpet-Bagger ox sle that will take place after the November election, and concluded with the following:

CARPET BAGGER—RIVAL OF GILPIN.

What News? What News? Your tidings tell,
As tell you must and shall,
Why *without baggage* are you come,
Or why are you come at all?"

"I come because my *legs would come*,
And I do well forebode
My carpet bag will soon be here,
I left it on the road.

The X. P. G. has started, too,
And scalawags to a man,
While Ingram wakes old Downing up
And shouts the *Ku Klux Klan!*

And Rodman—he is off, also,
With Tourgee at his heels—
While way up on the old Pedee
I know how "Oliver" feels.

Then let us Sing, Long live the King!
Long live the X. P. G!
And when he starts upon that race,
We'll *all be there to see!*"

We will make an effort to write out our notes of speeches in the Convention, in a day or two. But we greatly apprehend that we shall be able to do but scanty justice to the various eloquent orators.

Hurrah for our City Fire Companies; Their presence in the Torchlight Procession,—their brilliant uniforms showing to splendid advantage in the glaring light,—was a great feature. The young men composing it deserve all credit for the share which they contributed to the general enjoyment and display.

And hurrah for the young ladies of St. Mary's, and the patriotic Rector of that School! The illuminated building, and the beautiful spectacle of 100 young ladies tastefully dressed, and showering their smiles and greetings upon the men who would save them from ruin and degradation, constituted a scene which it were worth a trip of hundreds of miles to witness.

Maj. Manly and his Marshals; Mr. Thos. G. Jenkins, and his Mounted Troop; Vaughan, with his fine Drum Corps; the various Committees &c., all did their duty well and contributed greatly to the grand success—while our friend Parker, at the head of the column, bore the "Stars and Stripes" as proudly and well as he did the old Flag of the Fourteenth through the smoke and fire of battle.

The decorations in Tucker Hall were the theme of universal admiration, and the fair ladies of our City of Oaks received, on all hands, what they so richly deserve, the praise and admiration of all beholders.

Our friend Bery Bagwell, of the county, has favored us with choice watermelons.—By the way, Mr. B. brought into market, on Friday, a load which averaged 35 lbs. to the melon.

LEAVING THE ROTTEN CONCERN.—Four whites and nine negroes in Fayetteville publicly announce their withdrawal from the League and their intention to support Seymour and Blair.

It will be seen, by the Card, in another column, that Mr. H. S. Keith, of this City, proclaims his repudiation of Radicalism.—Others will follow. Push on the ball!

WILMINGTON.—One negro Sergeant of Police, two negro Corporals, and twelve negro privates, have been appointed by Holden's Municipal Board in Wilmington.

SEYMOUR AND BLAIR MEETINGS.

ADVANCE THE COLUMN!

SENTINEL FOR THE CAMPAIGN.

We suppose that the Presidential Campaign will commence actively about the 1st. of August. We propose to send the *Sentinel* to subscribers or clubs, at the following rates, commencing 1st. of August and extending to 15th. of November:

Daily for that period	3½ mos.	$2 00
Semi-Weekly "	3½ mos.	1.00
Weekly "	3½ mos:	
For individual subscribers		50.
" Clubs of five and upwards		40.

The *Sentinel* shall not be excelled in efficiency by any other Campaign paper in the country.

MONEY LOST.—Several of our friends at Washington, in this State, have informed us that they have sent us money by mail, which has failed to reach us. The attention of the special Agent of the P. O. Department has been called to this. We are surprised that any one should send us money by mail, when he can obtain Post office orders, which are sure to reach us.—We have so little reliance upon the mails, that we have not felt willing to assume the risk, but have said we could not. On the route to Newbern, to Washington, to Fayetteville, and up West, considerable sums in small amounts have failed to reach us, within the last six months or more. We have no recollection of any loss between here and Weldon, or between this and Wilmington. Let all our friends send us P. O. orders or checks, or send by Express, or private hand, unless they are willing to risk $1 or $2.—We are glad to say that these losses do not occur once, perhaps, in fifty letters that we receive; but even these make up a pretty considerable amount, if we had to bear the loss.

WESTERN N. C. RAILROAD.—"Gov." Holden has appointed the following Directors for this Road: Calvin J. Cowles, of Wilkes, J. W. Bowman, of Mitchell, Tod R. Caldwell, of Burke, W. G. Candler, of Buncombe, C. L. S. Corpening, of McDowell, W. H. Howerton, of Rowan, Dr. J. J Mott, of Catawba.

WM. H. PORTER declines the appointment of Mayor of Fayetteville tendered him by the loyal "Governor." It is further stated that all the white Commissioners and one of the colored also decline their appointments, giving it as their opinion that the matter should be left to *the people* to decide who shall govern the city.

SEYMOUR AND BLAIR BADGES.—A young gentleman of this City has ordered from the North, and received, a lot of tasteful and beautiful Seymour and Blair Flag Badges. Clubs, or individuals, will be supplied by addressing Box 452, Raleigh Post Office. Price—25 cts each, or $2 per dozen.

A CARD.

RALEIGH, Aug. 15, 1868.

To the Editors of the Sentinel:—As I am one of the white men of this county, that voted the Republican ticket, I take this occasion to say that I little thought that I was voting for negro Commissioners or Policemen of the city of Raleigh, or any other town. When I see the six thousand Special Militia Bill, and then see the disposition on the part of the negroes, to lynch every negro that sees fit to vote the Democratic ticket, I think it about time for the white men of the country to come together and invite all well disposed negroes to come with us and put a stop to all such action, by electing Seymour and Blair for President and Vice President of the United States. With respect to all former associations of the Republican party, I bid you good bye.

Senator Abbott (carpet-bagger) states that over ten millions of Northern capital have been invested in North Carolina since the war. (What does he know about it? This will be news to our people.)

It is now stated that Rosecranz will defer his departure un il October.

J. J. Brigham, lately a Deputy Collector of the port of Richmond, attempted suicide to-day. He stabbed himself eleven times about the heart, and cut his throat. Little hopes of recovery.

It is stated, on doubtful authority, that Commissioner Rollins will resign unconditionally, from a regard for McCulloch's feelings and wishes.

Gen. Thos. E. Ewing is prominently mentioned for the Alaska Collectorship.

FROM NEW ORLEANS.—PEACE COUNCILS —NEGRO EQUALITY IN THE SCHOOLS, &c.

NEW ORLEANS, Aug. 15, P. M.

An informal meeting was held last night, in the Governor's office, between prominent members of both parties. Both conceded the situation to be dangerous and imminent. The Democratic members expressed the opinion that the best and only way to insure peace was to stop the system of aggressive and oppressive legislation now in progress; that the Democratic-Conservative element in the country expected to accomplish nothing except in a legal and constitutional way; that it was unwise and improper for the State Government to defy the sentiment and wishes of the people; that if the Governor would throw himself upon the people, they would sustain him; and that no extra force would be necessary for the preservation of peace.

Gov. Warmouth stated, that he was authorized to say, on behalf of the Republicans, that there was nothing in reason the Republicans can do or concede, but will be done to secure harmony, and promised that measures, not of party politics, obnoxious to the citizens, will be modified; and said it was his earnest desire to secure the welfare of all and promote peace and order.

Another meeting will be held at 8 o'clock, when it is hoped that some practical illustration of the mutual desire for harmony will be presented. The moderate Republicans, unfortunately but few in number, conceded that the system of legislation heretofore and at present pursued *was calculated* to create strife. They say that the preservation of order is what they most earnestly desire, and that it rests entirely with the Republicans.

An act to regulate public education, prepared by Parson Conway, has been made the special order for next Friday. It provides that all schools shall be open to ALL CHILDREN, between the ages of 6 and 21, *without distinction of race or color!* The State Superintendent is invested with extraordinary and absolute powers, without appeal, to decide all controversies arising under this act; and it requires all teachers to inculcate "unity" and kindness to all men regardless of color. A special tax is laid in the Act.

The present Superintendent is the author of the Bill,—Reverend Captain T. W. Conway.

ALABAMA.

MONTGOMERY, Aug. 15, P. M.

There was a large Seymour and Blair meeting, to-day, at Wetumpka. About fifteen hundred persons were present. Speeches were made by Ex-Gov. Watts and other prominent gentlemen.

DISTURBANCES IN IRELAND.

LONDON, Aug. 15, P. M.

Dispatches from Ireland give particulars of deeds of lawlessness in Tipperary. It seems that while one of the great landlords in that region, named Scully, was serving the usual notices on various tenants, he was killed by unknown people. A strong body of police attempted to arrest supposed culprits when the police, in turn, were fearfully attacked, two shot dead and four badly wounded.

At the last advices, quiet had been restored.

NON-FORFEITING CASH RATES

ÆTNA LIFE INSURANCE COMPANY,
OF HARTFORD, CONN.

ASSETS, $10,000,000.

$730 to buy every 100 of Liabilities.

DIVIDENDS, Fifty per Cent. 57,000 Members, and constantly increasing.

DESCRIPTION OF POLICIES.

First.—Whole Life Policies.
Second.—Endowment Policies, for terms of ten, fifteen, twenty, twenty-five, thirty, and thirty-five years.

AGES.

Insurance will be granted at all ages from fifteen to sixty years.

PREMIUMS.

Premiums are payable annually during the continuance of the insurance, or annually during a period of five, ten, fifteen, or twenty years within the insurance term; or by single payment.

DIVIDENDS.

All Whole Life and Endowment Policies, issued at the published rates, will participate in the surplus from the date of issue.

The dividends will be declared and paid annually upon the contribution plan, and may be applied as the assured shall elect, either to reduce future premiums, or to increase the Cash Value of the Policy.

If no election be made, the dividends will always be added to the Cash Values.

When, by adding the dividends to the Cash Value, the accumulations on any Policy shall have become sufficient to keep the same in force for its *full amount*, without further payments, the assured may at his option, either continue payment of premiums—and enlarge thereby the annual additions to its Cash Value—or discontinue them; and in either case, when the accumulations shall have become equal to the sum insured, the annual dividends on the Policy will be declared as a per centage of said sum, and *paid* in cash, and upon surrender of said Policy the sum insured thereby, will be paid in *full*, without regard to the time fixed therein for its payment.

This system of applying the dividends is peculiarly advantageous to the assured, securing, at an increased age, not only relief from further payment of premiums, but, at the same time, an annual income until death, unless he shall have previously received full payment of the Policy.

Dividends on paid-up Policies—that is, Policies which require no further payment of premium to continue them in force for the original amount of insurance—will be paid in cash upon demand.

NON FORFEITURE RULES.

No Whole Life or Endowment Policy, on which two or more annual cash premiums have been paid, shall be forfeited by failure to make further payments, as stipulated therein, but will continue in force for the full amount which the Cash Value and dividends (then accumulated), will purchase, taken as a single net premium, upon the "Actuaries'" rate of mortality and four per cent. interest; and the amount continued in force will generally exceed the aggregate of the payments actually made, extra charges excepted.

No Whole Life or Endowment Policy shall be forfeited by an exposure of the assured life in violation of the conditions expressed therein, unless death shall occur UNDER OR IN CONSEQUENCE of such exposure, when the full Cash Value of the Policy, together with all accumulations from dividends, will be paid upon its surrender.

INCREASE OF INSURANCE.

Applications to increase the sum insured on any life will always be considered as applications for new insurance, and, therefore, no increase of insurance will be granted unless the unimpaired condition of the assured life shall have been proved by medical re-examination.

General Agent for the State,

THE NATIONAL DEMOCRATIC CONVENTION!

THE PLATFORM.

"The Democratic party, in national convention assembled, reposing its trust in the intelligence, patriotism, and discriminating justice of the people, standing upon the Constitution as the foundation and limitation of the powers of the Government, and the guaranty of the liberties of the citizen, and recognizing the questions of slavery and secession as having been settled, for all time to come, by the war or the voluntary action of the Southern States in constitutional conventions assembled, and never to be renewed or re-agitated, do, with the return of peace, demand:

First.—Immediate restoration of all the States to their rights in the Union, under the Constitution, and of civil government to the American people.

Second.—Amnesty for all past political offences, and the regulation of the elective franchise in the States by their citizens.

Third.—Payment of the public debt of the United States as rapidly as practicable; all moneys drawn from the people by taxation, except so much as is requisite for the necessities of the Government, economically administered, being honestly applied to such payment, and where the obligations of the Government do not expressly state upon their face, or the law under which they were issued does not provide that they shall be paid in coin, they ought, in right and in justice, to be paid in the lawful money of the United States.

Fourth.—Equal taxation of every species of property according to its real value, including Government bonds and other public securities.

Fifth.—One currency for the Government and the people, the laborer and the officeholder, the pensioner and the soldier, the producer and the bondholder.

Sixth.—Economy in the administration of the Government; the reduction of the standing army and navy; the abolition of the Freedmen's Bureau (great cheering) and all political instrumentalities designed to secure negro supremacy; simplification of the system and discontinuance of inquisitorial modes of assessing and collecting internal revenue, so that the burden of taxation may be equalized and lessened, the credit of the Government and the currency made good; the repeal of all enactments for enrolling the State militia into national forces in time of peace; and a tariff for revenue upon foreign imports, and such equal taxation under the internal revenue laws as will afford incidental protection to domestic manufactures, and as will, without impairing the revenue, impose the least burden upon and best promote and encourage the great industrial interests of the country.

Seventh.—Reform of abuses in the Administration, the expulsion of corrupt men from office, the abrogation of useless offices, the restoration of rightful authority to and the independence of the executive and judicial departments of the Government, the subordination of the military to the civil power, to the end that the usurpations of Congress and the despotism of the sword may cease.

Eighth.—Equal rights and protection for naturalized and native born citizens at home and abroad; the assertion of American nationality which shall command the respect of foreign Powers, and furnish an example and encouragement to people struggling for national integrity, constitutional liberty, and individual rights; and the maintenance of the rights of naturalized citizens against the absolute doctrine of immutable allegiance and the claims of foreign Powers to punish them for alleged crimes committed beyond their jurisdiction.

In demanding these measures and reforms we arraign the Radical party for its disregard of right, and the unparalleled oppression and tyranny which have marked its career. After the most solemn and unanimous pledge of both Houses of Congress to prosecute the war exclusively for the maintenance of the Government and the preservation of the Union under the Constitution, it has repeatedly violated that most sacred pledge, under which alone was rallied that noble volunteer army which carried our flag to victory.

Instead of restoring the Union, it has, so far as is in its power, dissolved it, and subjected ten States, in time of profound peace, to military despotism and negro supremacy.

It has nullified there the right of trial by jury; it has abolished the *habeas corpus*, that most sacred writ of liberty; it has overthrown the freedom of speech and the press; it has substituted arbitrary seizures and arrests, and military trials and secret star chamber inquisitions for the constitutional tribunals; it has disregarded in time of peace the right of the people to be free from searches and seizures; it has entered the post and telegraph offices, and even the private rooms of individuals, and seized their private papers and letters without any specific charge or notice of affidavit, as required by the organic law; it has converted the American capitol into a bastile; it has established a system of spies and official espionage to which no constitutional monarchy of Europe would dare to resort; it has abolished the right of appeal on important constitutional questions to the supreme judicial tribunal, and threatens to curtail or destroy its original jurisdiction, which is irrevocably vested by the Constitution, while the learned Chief Justice has been subjected to the most atrocious calumnies merely because he would not prostitute his high office to the support of the false and partisan charges preferred against the President. Its corruption and extravagance have exceeded anything known in history, and by its frauds and monopolies it has nearly doubled the burden of the debt created by the war. It has stripped the President of his constitutional power of appointment even of his own Cabinet. Under its repeated assaults the pillars of the Government are rocking on their base, and should it succeed in November next, and inaugurate its President, we will meet, as a subjected and conquered people, amid the ruins of liberty and the scattered fragments of the Constitution; and we do declare and resolve that ever since the people of the United States threw off all subjection to the British Crown, the privilege and trust of suffrage have belonged to the several States, and have been granted, regulated, and controlled exclusively by the political power of each State respectively, and that any attempt by Congress, on any pretext whatever, to deprive any State of this right, or to interfere with its exercise, is a flagrant usurpation of power which can find no warrant in the Constitution; and it sanctioned by the people will subvert our form of government, and can only end in a single centralized and consolidated Government, in which the separate existence of the States will be entirely absorbed, and an unqualified despotism be established in place of a federal union of co equal States; and that we regard the reconstruction acts (so called) of Congress as usurpations, and unconstitutional, revolutionary, and void; that our soldiers and sailors, who carried the flag of our country to victory against a most gallant and determined foe, must ever be gratefully remembered, and all the guarantees given in their favor must be faithfully carried into execution.

That the public lands should be distributed as widely as possible among the people, and should be disposed of either under the pre emption or homestead laws, and sold in reasonable quantities, and to none but actual occupants, at the minimum price established by the Government. When grants of the public lands may be allowed necessary for the encouragement of important public improvements, the proceeds of the sale of such lands, and not the lands themselves, should be so applied.

That the President of the United States, Andrew Johnson, (applause,) in exercising the power of his high office in resisting the aggressions of Congress upon the constitutional rights of the States and the people, is entitled to the gratitude of the whole American people, and in behalf of the Democratic party we tender him our thanks for his patriotic efforts in that regard."

CONSTITUTION AND BY-LAWS FOR CLUBS.

We have received letters from several sources, requesting us to send printed copies of a Constitution and By Laws for the organization of Seymour and Blair Clubs.—Having none on hand, and no funds to print them, we have prepared the following Constitution and By Laws, as a guide for Clubs, and submit them to the consideration of our friends. They were submitted to the Young Men's meeting to form a Seymour and Blair Club, in this city, on Tuesday night, and unanimously adopted:

CONSTITUTION.

ARTICLE 1st. This Association shall be styled the ——— Club of ——— of North Carolina.

ART. 2. The objects of this Association are as follows: To unite in close political compact every Democrat, Conservative, or by whatever name known, in North Carolina, for the support and defence of the Constitution of the United States; the promotion of the peace and good will of society and the harmony of the Union; the proper enforcement of law and order by legitimate forms, and the utter destruction of Radicalism every where by the election of HORATIO SEYMOUR, of New York, as President, and FRANCIS P. BLAIR, of Missouri, as Vice President, and all other Democratic and Conservative nominees for any office; and, further, to promote the mutual benefit and protection of each other in all lawful pursuits, aiding each other in business, as being members of one great political family, seeking to promote each other's welfare, and especially to extend such aid to those who have been or may be ignored or proscribed by the Radical party, as the Association may be able.

ART. 3. The officers of this Club shall consist of a President, three Vice Presidents, a Recording Secretary, a Co-responding Secretary and a Treasurer, who shall perform the duties usual to such offices, and who, together with five Directors, shall be elected annually at the annual meeting of the Association, and shall constitute an Executive Board, to whom shall be committed the interests of the Club.

ART. 4. This Constitution, and such By-Laws or Regulations as the Club may adopt may be altered, amended or changed at any public meeting of the Club by a vote of two-thirds of the members present.

SUBSCRIPTION.

We, whose names are hereto annexed, do solemnly pledge our word and sacred honor, constantly and faithfully to promote the objects and aims of this Club as set forth in the foregoing Constitution, and do hold ourselves ready to defend the same, and to protect, to the extent of our ability, every member of this Association throughout the state.

BY-LAWS AND REGULATIONS.

1. Every member of this Club shall sign and subscribe the Constitution, in order to recognition.

2. All monied contributions to the objects of the Association shall be voluntary, and all shall be held by the Treasurer, who shall keep an exact account and disburse the same only on the order of the Executive Board, to whom he shall submit his accounts when ordered.

3. The Club shall order its public meetings when and where it chooses, and the President may call meetings when desirable, but the Executive Board, or both of its members as may be designated, shall select speakers and make all necessary arrangements.

4. Each member of the Executive Board is hereby appointed a Committee to solicit names for membership, also monied donations for the objects of the Club, and to attend to the general interests of the Club, such as directing the correspondence, procuring and circulating documents, &c.

5. The Executive Board shall meet to transact the private business of the Club as often as it may order (and the officers of the Club shall be ex-officio officers of the Board) when the names of members shall be presented for registration or dismissal for good cause, to consider the financial business of the Club and such other private matters as may be necessary. All members of the Club may attend the private meetings of the Board when convenient, and may give counsel, but the business of the Board will be determined by the vote of the Board itself.

6. Any member of the Club intending to move to any other section, may obtain a certificate of his membership in this Club, if he desire it, to be signed by the President and Secretary.

7. The Executive Board of each Club will give special attention to all matters of registration, voting, &c., see that all do their duty, and that the law is strictly observed, that all fraud or mal-practice is detected and duly punished.

REMARKS.

1. In South Carolina, Georgia, Mississippi and other Southern States, strong Democratic Clubs are being formed, composed of colored citizens. The Constitution above is so worded that it can be adapted to any place or persons. If Democratic Clubs can be formed entirely of colored persons, perhaps it will be best; but where there are few, the Clubs may decide to enter them on their registers or not, as they may elect.

2. We would suggest that Young Men's Clubs, everywhere, should embrace all young men, from 18 years of age, and upwards. Many old men at heart, timid, afraid to let people know their political *status*. Take in the young men, who have the pluck, and who may be educated to *love* the Constitution and the country, and who will always vote right, when they become of age. We need the ardor and boldness of youth, as well as the prudence and wisdom of age. The necessity for this, however, would be obviated, if the young men, under the age of 21, would form Clubs of their own.

3. We insist upon forming Clubs in every Ward, in every precinct and Captain's District in the State, where 25 or 30 members, and as many more as possible, can be obtained. The more the better. The talent and energy of all our people must be brought out. It will not do to let the old men and the old party managers do all the managing and the talking. We *must put every man* in some position to be useful. By having a Club in every Ward and every neighborhood, we can find room for a great many as officers and talkers and working men. We can have our Club meetings out of doors, these pleasant nights, by moonlight or camp fires, and there will be a chance for *every man*, who can make a talk, or a little speech, or a great speech, to do something in that line. Let the Clubs be formed. Bring out all our men to work for the Constitution and the country, and let us save them by the election of Seymour and Blair!

William E. Pell, } Editors.

Seaton Gales, }

In view of the scarcity of money, and the severity of the times, the Proprietor of the SENTINEL has determined to reduce the terms of the paper, to commence after the 31st DECEMBER, next, and to make such improvements in its general character as will commend it to the patronage of an enlightened public.

In POLITICS it will be thoroughly Conservative, advocating, at all times:

A strict observance of the Constitution of the United States, and the harmonious Union of equal States;

Obedience to law and the enforcement of order;

The supremacy of the civil over the military, in time of peace;

The equality of the three co ordinate branches of the government;

The sovereignty of the States over their own internal affairs, in strict conformity to the Constitution;

The maintenance of freedom and justice to all, without distinction of color, but the supremacy of the white race as the governing class;

Opposition to Radicalism in all its phases.

As a NEWS journal, it shall be equal to any.—The principal markets will be regularly published.

Its LITERARY character shall be maintained and improved, by contributions from our best writers.

Finally, the SENTINEL will seek to be the special promoter of the educational, moral and economical interests of the people of North Carolina.

GENERAL REMARKS.

Revenue stamps may be used indiscriminately upon any of the matters or things enumerated in schedule B, except proprietary and playing cards stamps, for which a special use has been provided.

Postage stamps cannot be used in payment of the duty chargeable on instruments.

It is the duty of the maker of an instrument to affix and cancel the stamp thereon. If he neglects to do so, the party for whom it is made may stamp it before it is used; and if used after the 30 h of July, 1864, and used without a stamp, it cannot afterwards be effectually stamped. Any one, to appropriately stamp it, renders him liable to a penalty of two hundred dollars.

Suits are commenced in many States by other process than writ, viz: summons, warrants, pubcaties, &c., in which case these, as the original process, severally require stamps.

Writs of error liens are subject to stamp duty as original process.

The jurat of an affidavit, taken before a Justice of the Peace Notary Public, or other officer duly authorized to take affidavits, is held to be a certificate, and is subject to a stamp duty of five cents, except when taken in suits of legal proceedings.

Certificates of loan in which there shall appear any printed or written evidence of any amounts of money to be paid on demand or at any time designated, are subject to stamp duty as Promissory Notes.

The assignment of a mortgage is subject to the same duty as that imposed upon the original instrument; that is to say for every sum of $100 the amount secured by the mortgage, at time of its assignment, there must be affixed a stamp or stamps, denoting a duty of five cents.

When two or more persons join in the execution of an instrument, the stamps to which this instrument is liable, under the law, may be affixed and cancelled by one of the parties.

In conveyance of real estate, the law provides that the stamp affixed must answer to the value of the estate or interest conveyed.

No stamp is required on warrant of attorney accompanying a bond or note, when such bond or note has affixed thereto the stamp or stamps denoting the duty required, and whenever any bond or note is secured by mortgage, but one stamp duty is required on such papers, such stamp duty being the highest rates required for such instruments, or either of them. In such case a note or memorandum of the value or denomination of the stamp affixed should be made upon the margin or in the acknowledgment of the instrument which is not stamped.
